Dear Mr. Llamozas:

I received your letter February 28, 2017 inviting us to discuss your audit of our Municipal Separate Storm Sewer System (MS4) permit, number COS000005. We are very much interested in meeting with you prior to your making a final determination regarding CDOT's permit compliance.

Rick Willard will be contacting you to schedule meetings or teleconferences that will be agreeable to all our schedules.

If you have any questions, comments, or additional requests please contact Rick Willard by email at richard.willard@state.co.us or by phone at 303-757-9343.

Sincerely,

Joshua Laipply
Chief Engineer/Director of Stormwater Compliance
